

ProHealth

Certified Disadvantaged Business Enterprise (DBE) with the Florida Department of Transportation (FDOT)

Capability Statement

ProHealth is a women-owned occupational testing company that was established in 1985 and has been doing drug and alcohol testing since 1989. All drug testing collectors are DOT-certified and they conduct tests with professionalism and efficiency.

ProHealth has provided services to both governmental and private industries including
Pensacola State College, Armstrong Industries, and Walmart.
